

# Afterroom Dining Plus, Wood Base

## SoMe Captions

- Introducing the Afterroom Dining Plus in plywood. The simple chair pays tribute to functionalism thanks to its impressive combination of high-quality craftsmanship, superior materials and uncompromising comfort.
- Introducing the Afterroom Dining Plus in plywood, bringing the collection's now iconic form to the archetypal chair through a combination of traditional craftsmanship, natural materials and seating comfort.
- Refined craftsmanship meets natural appeal on the Afterroom Dining Plus in plywood. Available with a natural, dark stained or black oak veneer finish.
- The Afterroom Dining Plus in plywood puts a fresh new spin on the classic dining chair.
- Modest and restrained, the Afterroom Dining Plus chair in plywood proves that less is, in fact, more.
- Our now classic Afterroom Collection gains a new expression with the Afterroom Dining Plus in plywood. Thin sheets of oak veneer are glued in layers with grains running in opposite directions to create a material that is both incredibly strong and exceedingly lightweight.
- The gently curved form of the Afterroom Dining Plus is sculpted in plywood. Natural, dark stained or black oak veneer enhances the natural beauty of the wood grain to lend appealing warmth to the simple design. The soft silhouette makes it easily adapt to a range of spaces where its versatility, flexibility and strength make it the ideal choice as an everyday object of beauty and function.
- We believe in modern design built to last. The Afterroom Dining Plus chair in plywood is made to meet every need – from home dining to hotel desks.
- Continuing the streamlined simplicity of the Afterroom collection, the new plywood iteration exemplifies the innovative manufacturing advancements of the 20th century. The elegant chair showcases the incredibly strong yet exceedingly lightweight material to maximum effect.
- Lending appealing warmth to the Afterroom Collection, the Afterroom Plus Dining in plywood easily adapts to any setting thanks to the option of a natural, dark stained or black oak veneer finish.
